JUNE JUNIOR NEWSLETTER

JUNIOR TOURNAMENT

The main junior event for June was the MTC Junior Tournament held on Sunday June 15. Registration was near capacity allowing for 4 categories of match play amongst our participants, ages 8-18. After the tournament, there was a ceremony where each junior received a special tournament gift. Category winners received trophies, we ate a yummy meal, and some juniors got even luckier by winning the raffle prizes! It was a great day, where friendships were made, tennis was played, and smiling faces were everywhere. Thanks for coming out, juniors!

Happy kids, happy parents! So glad you enjoyed it! 😊

Thank you for hosting a wonderful event and kids enjoyed it a lot. It was wonderful to see everyone enjoying themselves in the amazing weather.

Congratulations to all the participants, looking forward to the next event :-)
